Policy Learning Platform

A place for continuous learning dedicated to policymakers

Do you work on regional development policies? Would you like to improve the efficiency and effectiveness of your programmes? Are you interested to know what others do to solve similar challenges around Europe?

If so, we can help. Here is how.

1. Expert support: Get personalised advice on your regional challenge

Whether you aim at boosting e-mobility or entrepreneurial spirit in your region, chances are someone, somewhere in Europe was in a similar situation and can help with concrete solutions. Let us know what is your policy challenge and experience today the power of peer learning.

2. Community: Be part of a European network of policymakers

Create now an account on the Interreg Europe website and you will get access to a wide variety of online and face-to-face events, which are great learning and networking opportunities! You can equally make the collective knowledge work in your favor by sharing your challenges with peers across Europe.

3. Knowledge hub: Learn according to your needs

News about EU trends, webinar replays, policy briefs etc. in the Knowledge hub you will find resources for different learning styles and rhythms. If you don't have time to attend events or simply prefer exploring information on your own, our experts compile for you key policy recommendations.

4. Good practices database: Inspire and get inspired

Europe is full of regional policy initiatives that proved their success and have the potential to inspire others. The Good practices database gathers over 1 500 such good practices, reviewed and validated by experts. Start exploring and share your own!
