

Good practice database

Inspire and get inspired!

All around Europe, local and **regional policymakers** are working on developing better policies for the future. For the benefit of our citizens, territories and economies, many innovative solutions have been successfully tested. The Policy Learning Platform offers an online, constantly growing Good Practice database that already features over **1500 well evidenced policy solutions**. Plus, they are all validated by thematic experts. Thus, no need to reinvent the wheel!

Concrete practices and solutions **are only one click away**, offering policy inspiration for:

Interregional cooperation is an efficient tool for identifying and sharing good practices* across Europe. The Policy Learning Platform makes this knowledge **accessible to everyone**.

Whether you are in the process of:

- designing a regional policy,
- improving an already existing one,
- just searching for new ideas...

Explore now:

<https://www.interregeurope.eu/policylearning/good-practices/>

Save time and **filter** your results by using a **keyword, theme, country** or even **region**.

**In the context of the Interreg Europe programme, a good practice is an initiative which has already proved successful and which has the potential to be transferred to a different geographic area.*
