POOLING ENERGY ACTION PLANS

European Regional Development Fund

PROJECT SELECTED | FOR CO-FINANCING BY THE EUROPEAN UNION

PEACE_Alps

Pooling Energy Action Plans and
Enhancing their Implementation in the Alps

The objectives will be reached by
addressing the following topics:

- Energy management
- Energy refurbishment of buildings and public light
- Local adaptation to climate change

Implementation phase

...offers centralized supporting solutions for municipalities triggering implementation of energy actions.

Mutual learning approaches

...for the application of low carbon policy instruments in municipalities.

Bottom-up definition of local needs

... through desk research, start-up fora and interviews.

Engagement campaign in Alpine Space Area

...for the transfer of experience gained to other territories in the Alpine Space Area.
