

**Interreg
Europe**

European Union | European Regional Development Fund

*Sharing solutions
for better regional policies*

Step 2 of the journey:

Exchanging & transferring experiences

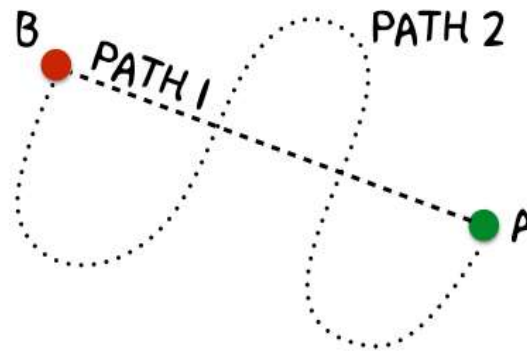

25 April 2018

The learning process

At the heart of Interreg Europe

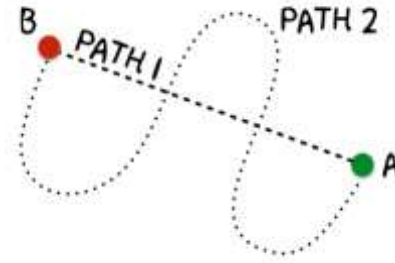

‘identifying, sharing and transferring good practices’
(phase 1)

How to ensure a successful process?

The learning process

- **Easy** on paper
 - *'We share similar issues'*
 - *'I will gain from your experience'*

- **Challenging** in practice, for instance:
 - Different contexts
 - Access to knowledge
 - Multicultural environment, languages

Structure of the session

1st part: group discussions

2nd part: Project experiences in plenary session

Main objectives:

- Learn from each other
- Identify valuable approaches

European Union | European Regional Development Fund

So let's learn from each other

Interregeurope
