Why a platform for interregional policy learning?

Strategic objective =
Capitalisation of project achievements

In simple words...

How to get more out of the invested funds for regions in Europe

How?

- by bringing projects together
- by getting newcomers on board (i.e. managing authorities and regions not involved in the Interreg Europe projects)
- by offering ad-hoc support for interregional learning (i.e. without requiring project participation)

What is the Platform about?
