Targeted matchmaking sessions

- Possibility to share your policy challenges and solutions

A group of people are gathered around a table in a meeting or workshop setting. In the foreground, a man with glasses and a woman are looking towards the right. In the background, another man is seated at the table, looking down at something in his hands. The setting includes a whiteboard, a laptop, and coffee cups on the table. A semi-transparent text box is overlaid on the lower half of the image.

Expert support

*We should have a more European approach in the formulation of our OP (Operational Programme). So far, we have only adopted a regional approach. **Looking at what others are doing is very beneficial** to us and helps us deciding what we should do and what we should avoid.*
