Thematic Seminar on Waste Deposit in Heritage Areas

Description

According to the Regulation of the maintenance of cleanliness and order in the Municipality of Krakow, waste collection in Krakow is provided from 6 am to 10 pm.

In the Heritage City Centre vehicles for waste collection collect waste from owners of properties until 10 am, which is comfortable for tourists.

Implementation

- **Municipal Service Company**
– the administrator of the waste management system
- **Agreement** between the Municipal Service Company and the waste collection companies
- **Small waste collection vehicles** in the heritage city centre
- **Controlling system**

Legal framework

Acts of local law

Agreement: Administrator of the waste management system

Waste collection companies

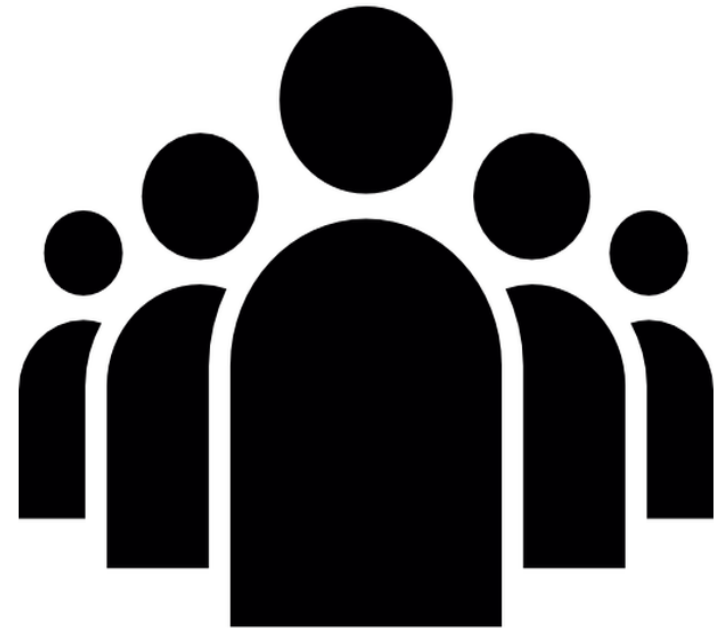

Penalty: 46 € for each hour of delay of waste collection in the Heritage City Centre

Users

1 536 inhabitants
in the Herigate City Centre

0.2 % of the Municipality
of Krakow's inhabitants

Costs

~598 739 €/year

Inhabitants' satisfaction

Waste collection in the Heritage City Centre poll results on a scale from 1 to 10 (1 – the worst, 10 – the best)

62 respondents

8.27 out of 10

Strenghts

- Does not affect tourists traffic
- Reduction of smell and noise
- Does not provide a negative aesthetic experience

Weaknesses

- Difficulties with waste collection (e.g. narrow streets)
- Inappropriate attitude of inhabitants
