## **SINGLE CARTOGRAPHY**

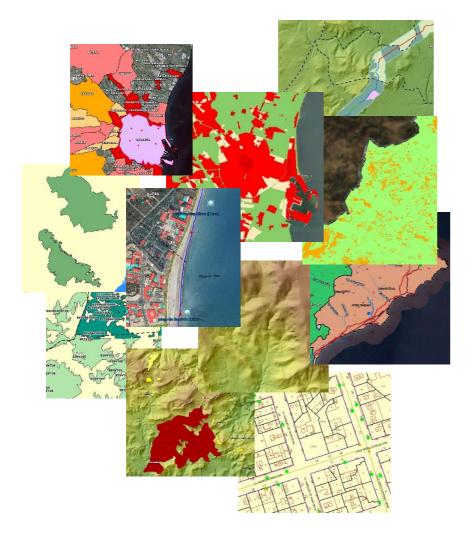

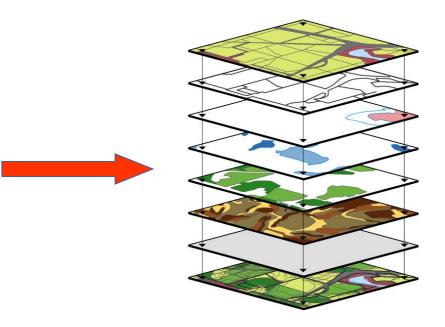

### **PHASE 1: INTEGRATION OF PROTECTED AREAS**

# Each department PRODUCES its own information

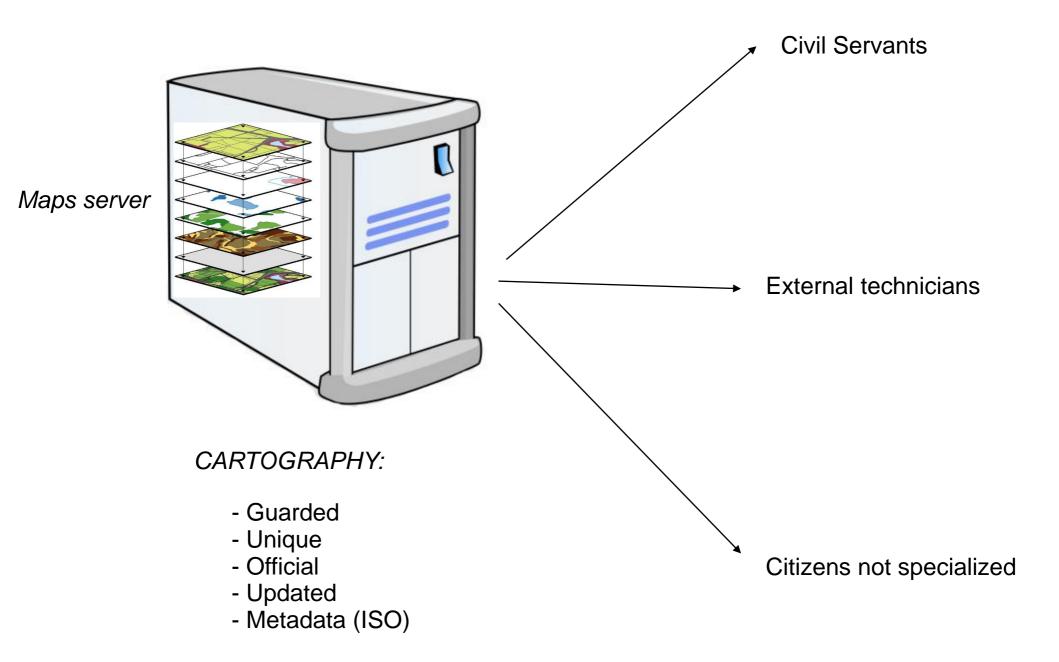

### IT Department CENTRALIZES it

Homogeneous digital cartography

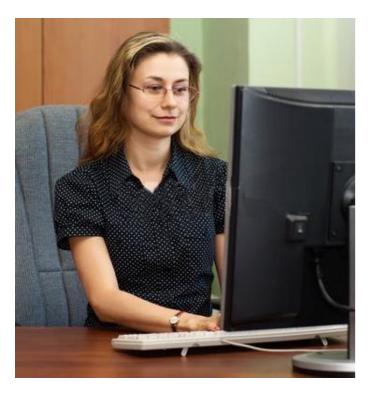

Several sources

### **PHASE 2:** INTERNET PUBLICATION

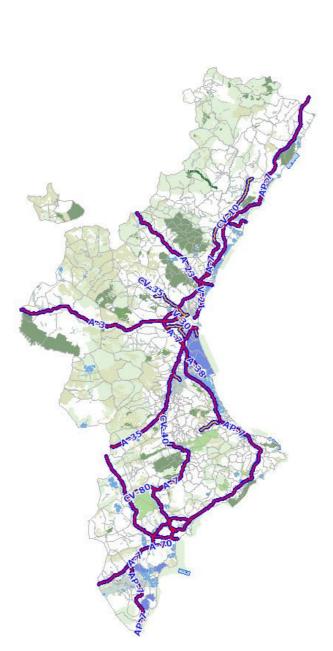

### **Professional level:**

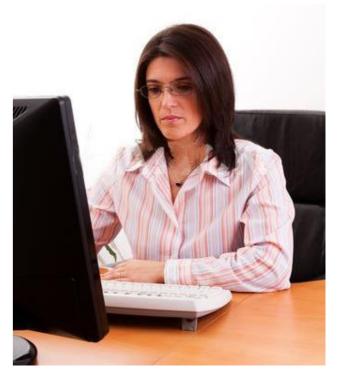

### How is environmental cartography used?

Civil servant

It defines which parts of Valencian territory must be protected

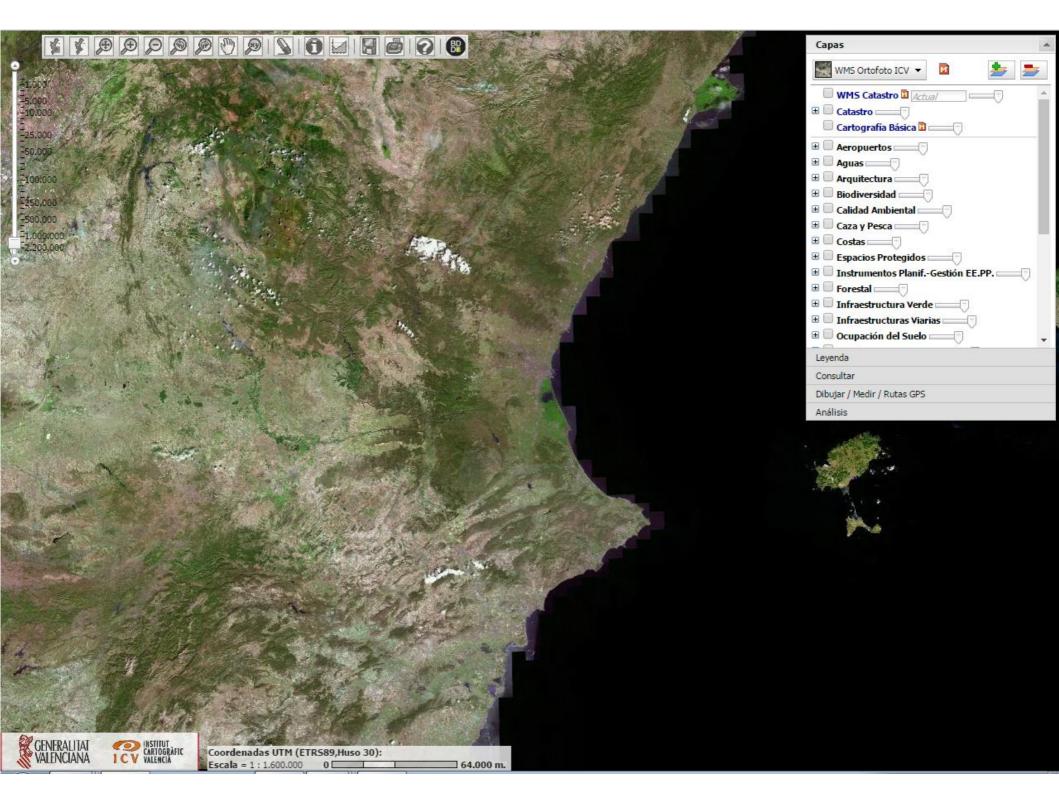

External enterprise

It develops projects preserving protected areas

### **Particular pevel:** How is environmental cartography used?

## **WEB VIEWER**
