STUDY VISIT in RCM, 21 & 22 March 2017

ANATOLIKI SA Development Agency is organizing the second project study visit which will take place on **21st - 22nd of March 2017** in Thessaloniki.

The topic of the Study visit will be: “Incubators and Entrepreneurship Support Structures”

During the Study Visit, the delegates from other partners will have the chance to visit i4G incubator, CERTH Incubator, “OK-THESS pre-incubator” (Good Practice 1) and Ergani Center (Good Practice 17, which is a Center Supporting Employment and Entrepreneurship).

The visit to both Good Practices provides knowledge on how young or older entrepreneurs are offered consultation, support and services in order to start-up and operate.

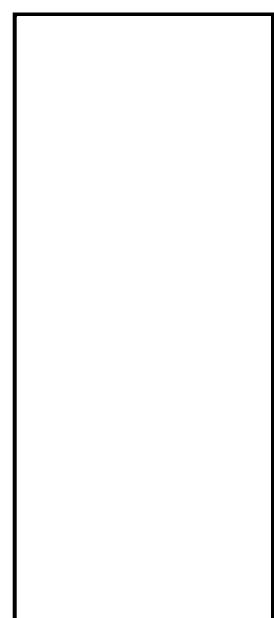

The Study Visit program also includes discussions and round tables with entrepreneurs on barriers and challenges that start-ups face.

The participation is open to PURE COSMOS partners and their interested local stakeholders.
