AGENDA:

1, Short presentation about HoCare project

István Csizmadia welcomed the participants and presented the project main objectives and approach.

2, Introduction activities already done or started (thematic workshop methodology, RMG, GPs) or planned in the near future (international thematic workshops, regional analysis).

István Csizmadia presented already carried activities including templates for GPs and regional analysis and the code of operation of RMG meetings and the results of 1st RMS meeting.

3, 2nd thematic workshop in Budapest

István Csizmadia presented the methodology for thematic workshops and results of the 1st thematic WS in Funchal.

Further discussion has been facilitated based on the 2nd thematic workshop agenda; the theme of the workshop (Generation of innovation thanks to public driven innovation approach) and inputs to be gathered from participants.
