Dear all, We look forward to see you in Oslo/Kolbotn soon!

I am resending the information regarding the signing up for the seminar on 21/3 (see attached program) and ask you to sign up as soon as possible here: <https://www.eventbrite.com/e/enterprise-development-and-social-innovation-in-the-follo-region-and-in-europe-tickets-32651896702>

and for the Deloitte event on 20/3 sign up here: <http://info.deloitte.no/2017-03-20-OSL-mikrofinans.htm> Use post code 0191 as it does not accept international codes. You need to sign up because of security reasons.

If you still did not book your own hotel in Oslo, I repeat the code: We have a corporate deal with the Thon Hotel Gorup, and you may use it for any Thon Hotel in Oslo by following this link and log in: <https://www.thonhotels.com/corporate-customers/> and then log in.

The username: Mikrofinans and company code: TB14103

I am also attaching a menu for the dinner on 21/3 (pay separate). You will have to give me feedback what menu you prefer before the 17/3 (meet/fish/vegetarian) If you have some special dietary needs, please let me know asap!

We recommend the low cost Hotel Munch, close to the National Theatre Station and the venue for the first day (about €100) or the little bit more expensive Thon Hotel Terminus (€140), very close to the Central Station and also having an Evening meal included Daily from 18:00 - 21:00. Evening meals are served in their dining area on the 1st floor. Both hotels have The lavish breakfast buffet Monday – Friday 06:30 - 10:00. Of course you may choose other hotels, but preferably close to the stations as you will take the train from the airport to Oslo and then from Oslo to Kolbotn next day (we have very good quality trains that are much faster than taxi!) Other suggestions close to Oslo central station is Comfort Hotel Express Central Station or Comfort hotel Børsparken (use Hotels.com to search!)

Regarding transport, NSB have trains going almost as fast from the Airport at 50% of the rate. You may buy a 24 hour ticket for all zones costing 190. This will get you from the airport, around in the city, to Kolbotn and back to the airport for the cost of just a normal airport train ticket (if you do it in 24 hours)! But you have to make sure to take a train operated by NSB such as R10, R11, L12, not Flytoget (airport Express). In any case, just from the airport-Oslo-Kolbotn will make it good value!

Agenda:

20th March:

09:00 – 13:00 Meeting of the National Networks Committee in Oslo city Center in Thon Conference, Universitetsgaten 26 <https://www.thonhotels.com/conference/norway/oslo/thon-conference-universitetsgaten/>

13.30-16.00 Presentations and updates from those partners who did not present on the 20th – incl discussions

End for most

23rd March Filming in Drammen with Øst møter Vest Systue, Qudsia Amtul Quddus

We will have an event on March 20th sponsored by Deloitte Norway. They will invite their customers from the finance sector, all in all about 100 participants. About 30 participants from the European Microfinance Sector will also be present, including the head of the European Microfinance Network. I also want to point out the fact that the meeting is being planned by one of Europe's top ranked banking lawyers, Knut Endre, see <http://www.chambersandpartners.com/Europe/person/177218/knut-s-endre> and myself. The meeting will be filmed.

The context of the meeting is the fact that both the ATM for SMEs interreg Europe project – Access to Microfinance for SMEs (see attached poster and , and the Committee of National Microfinance Networks in Europe have their meetings in Oslo 20-22 March. We in Microfinance Norway are hosting both meetings, so we expect 25-30 international participants to be present.

We may help with advice on hotels and places to see if you want to come earlier or stay longer. Please let me know!

Welcome to us!

Best greetings from
