15th – 16th November 2017, Ibiza (Spain)

**Thematic Seminar on Integration of Waste Management
Solutions into the Urban Décor of Heritage Areas**

Description

- According to the Waste Management Act of Tallinn it is not allowed to place waste containers on the street in the area of Old Town.

- Main locations where Old Town inhabitants hold their waste containers are courtyards, basements or staircases.
- Share container with neighbours

- It is allowed to put containers on the street only if there is constructed a waste storehouse.

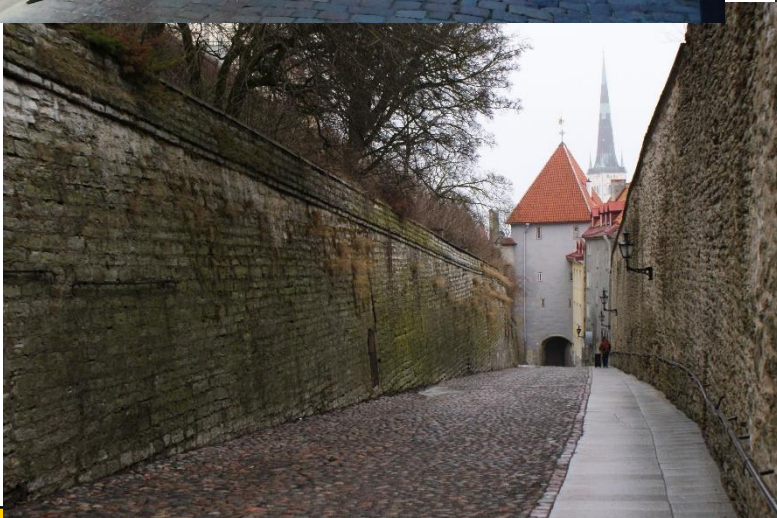

Results

- **Main difficulties: In some properties it is hard to find space for containers**
- **Main lesson: in Old Town each case needs special approach**

Results

- There is more free space in Old Town and it allows to achieve aesthetic appearance.
