

4th Stakeholder Meeting in Spain, 20th March 2018

Attendees:

Pedro Parra (BNI), Susana Martínez (UMU), Ricardo Estévez (Eco inteligencia), Yolanda Hernández (CEBAS-CSIC), Manuel Lorenzo (FREMM), Victoria Gómez (CEEIM), Pablo Martínez (CARM), Amparo Sánchez (INEQA), Esther Peñalver (CEEIM), Ignacio Uzquiza (CEEIM).

Key Points:

1. Explanation of the objective of the project and what has been done so far
2. Focus on SAT in particular and a practical exercise has done to show the members how the tool works
3. Explanation of the activities to be carried out in the short term (Improve the SAT, make a map of the main regional agents and their aids, identify good practices and prepare a report of the results of the SAT).
4. Clarification of the next milestones (deadlines foreseen for the previous activities (May and June), as well as the next meeting of the European partners in Ireland (June 2018)).
