**Tuesday 15 November 2017, 18.00 pm, TEIWM PREMISES.**

**PARTICIPANTS:**

1. TEIWM (4) : Stimoniaris Dimitris, Tsiमितros Dimitris, Maropoulos Stergios  
TEIWM external expert : Karamarkos Kostas.
2. Head of ROP-WM (1) : Kiourtsidis Haralampos
3. Bagkatzounis Markos & Sons (1) : Mpagkatzounis Panos
4. Cooperative of Aromatic plants (kozaniroses.gr ) (1) : Natalia Tsaggadoura
5. Herbs & Oils (1): Malinis Nikolaos
6. Amyntaion Wines (1) Nikou Konstantinos

The participants were informed about:

- The results of the meeting in Vilnius, Lithuania, 6-7 September 2017. There, the orientation of the Western Macedonia Regional Action Plan is announced, while the Lead partner presented the self-assessment tool which will also be discussed at the West Macedonia region.
- The necessary procedures in order to orient the Regional Action Plan of Western Macedonia to the field of food and Drinks – Aromatic Plants and Herbs (including SMEs).

The main aim of the regional action plan will be to develop a NETWORK or CLUSTER which will support the Internationalization of aromatic plants and herbs of the region with green-eco-innovative characteristics.

The stakeholders agreed to the regional action plan orientation and gave the lead to TEIWM.
