on 13.03.2018**

Agenda

- 12:00-12:15 ICI internal staff Registration
- 12:15-12:30 HoCare Project Presentation Semester 3
- 12:30-13:00 Results of HoCare Project Semester 3 and Discussions

Minutes

Mrs Florescu Gabriela welcomed the internal participants and described the project focus on opportunities offered by Operational Programmes as financial support for health care applications and in line with the project objectives of Semester 3 and generalities on project current status and its multi-country synchronization problems and the flexibility in its accomplishments. The experience of this project was shared with potential new applicants from ICI Bucharest for Interreg Europe programme, for other topic of interest in applied research. The internal meeting participants were invited for the national policy learning event to be held at the end of phase 1 of the project.

The participants were acknowledged about HoCare interregional thematic workshops results, about the three HoCare Policy Thematic studies, about the three HoCare Policy Transfer Reports.

ICI specialists appreciated the work performed within the Consortium and recommended the ICI HoCare team to consider also the possibility of launching on or participating in new projects based on HoCare current results given the existing calls under Operational Programmes, H2020, AAL programmes, national Sectorial programme and Nucleu programme.
