on 26.03.2018**

Agenda

- 12:00-12:10 ICI internal staff Registration
- 12:10-12:40 HoCare Project Presentation Semester 4
- 12:40-13:00 Results of HoCare Project Semester 4 and Discussions

Minutes

Mrs Florescu Gabriela welcomed the internal participants and described again in short the project focus on the opportunities offered by Operational Programmes as financial support for health care applications, in line with the project objectives of Semester 4.

The participants were acknowledged about HoCare National Policy Learning Event, about the Country Action Plan development by each HoCare country team, about the project meetings and steering committees decision on current phase, about the preparation for the phase 2, and the last, containing activities about the monitoring the Action Plan implementation. It was presented also the financial status of the project in phase 1 and phase 2 and were discussed on the possible support for ICI team in next phase, in Action Plan implementation.

The opportunity offered by Nucleu National R&D&I Programme was proposed, and the ICI Hocare team was proposed in the preparation of a research report within a new project on IT tools for health of elders.

ICI specialists appreciated the work performed within the Consortium and recommended the ICI HoCare team to consider also the possibility of making available of all main HoCare project outputs, on the new ICI collaborative platform (currently under test), in order to be consulted and used by ICI research staff as reference for their new projects for calls under Competitiveness Operational Programmes, National R&D&I programmes and international programmes such as H2020, AAL, COST, SEE, grant programmes.
