European experts in promoting energy efficiency in historic buildings meet this Wednesday in Seville

Junta de Andalucía

Published 10/23/2018  
SEVILLA, Oct. 23 (EUROPA PRESS) –

The Convent of Our Lady of the Kings of Seville will host this Wednesday a new meeting of the European project 'Violet' aimed at promoting energy efficiency and building rehabilitation in historic buildings. The purpose of this project is to promote the exchange of good practices between administrations in order to encourage and improve territorial policies in the area of heritage, energy efficiency and building rehabilitation, according to ...
