

Summary of the Report on CoP Meeting – Semester 4

PP1: South-East Regional Development Agency

The 4th Community of Practice (CoP) meeting of the South East Regional Development Agency (SE RDA) took place on the 7th of December 2018 in Braila. The CoP workshop focused on the development of the Regional Action Plan, the status and the next steps.

As Intermediate Body for 2014-2020 ROP, SE RDA undertakes specific tasks, such as:

- project appraisal and selection
- provision of guidelines/support to ROP beneficiaries
- projects' monitoring and control of expenditures
- carrying out awareness raising and publicity actions
- dissemination of information on financing opportunities available

The discussions targeted the main aim of the Action Plan namely to improve the calls for proposals on energy efficiency launched in the framework of Priority Axis 3 in order to cover energy efficiency measures for cultural heritage buildings as well.

The representatives of the Intermediate Body were informed on the good practices that inspired the development of the Action Plan. Therefore, two good practices were shortly presented by the VIOLET project team.

During the meeting, intensive discussions were held on the territorial needs that will be addressed by the policy instrument.

Furthermore, the projects objectives and results were disseminated, reports from participating in good practice promotion events were shared and new collaboration agreements were concluded with Vrancea Country Council and the Romanian Chamber of Architects.
