

North-East RDA, Romania (PP5)

3rd Transnational Meeting,
Iasi, June 2019

* 3 groups * 1 / topic * 3 facilitators = rapporteurs *

- Change the table every 2 questions.
- Each person participates to all topics.
- Facilitators remain the same; they don't migrate. They represent the living memory of every conversation that took place at a given table and will present them in the final plenary session.
- World café is informal and it helps groups to discuss issues in a more focused and respectful way, it gives everyone the opportunity to contribute while shifting the focus from single ideas (and proponents) to collective threads.

| CMDM Roadmap | Human Resources | Internationalisation Roadmap |
|--|---|--|
| How will regions improve the development of Critical Mass of their innovation ecosystem? | How far are the various EQF (European Qualifications Framework) levels represented in the education profiles of the region connected with the innovation ecosystem? | In which areas is internationalisation of the innovation ecosystems required? |
| What has already been achieved? | How far is awareness at school stimulated? | Is there a need for student or staff exchanges? |
| How will funding synergies be increased? | Is entrepreneurship integrated into the education profiles? | Is there a possibility for interregional collaboration regarding environmental challenges? |
| What can OP ERDF contribute to this development? | Which elements are concretely missing? | Is it possible to formalise cooperation between innovation ecosystems, to support start-ups, students, researchers or research projects? |
| | Can these be addressed through OP ERDF? | Can internationalisation contribute to critical mass development in participating regions? |
| | Other instruments or support programmes? | Can any of these measures or ideas already be supported? |
| | | What is missing? |
| | | Can OP ERDF support any of these developments? |
