11 October 2019 REPLACE Kick-off meeting

What we do

Veltha is an international not-for-profit association based in Belgium, it promotes research and sustainable development by the selection, preparation and implementation of project proposals financed by the European Commission and other local, national and international donors

Past Projects

REPLACE
Interreg Europe

H2020 CSA participated by 17 European Regions (Nov2016-Oct.2018) www.screen-lab.eu - **Our role:** Project Management on behalf of the Coordinator Lazio Region; organization and chair of the “Laboratory on Policies (Policy Lab)

FP7 Project: “Zero-impact innovative technology in forest plant production” (Oct.2012-Sept.2015) - **Our role:** Research integrator between the different fields of a complex project: forest sciences, robotics, mechanics, etc.; Dissemination and exploitation through a new business model

FP7 CSA “Reinforcing Capacity Building for Defending Biodiversity in the Palestinian Territories” (Mar.2012-Feb.2015) - **Our role:** Support and tutoring the Palestinian Coordinator, operations in field to develop the maps of test sites, training of the Palestinian researchers

Our Role in REPLACE

REPLACE
Interreg Europe

VELTHA is REPLACE advisory partner

Veltha will support policy makers and managing authorities in developing effective policy instruments for the implementation of circular value chains, in line with the Circular Economy Action Plan of the European Commission. Its main role is to ensure the proper exploitation of SCREEN project outputs, in particular those related to SCREEN Laboratory on Policies (*Policy Lab*)
