What are we doing now?

- Translation LAP
- Collecting evidence

A problem is that a lot of people at Region Ostergotland has changed positions and/or left for new employers.

Monetering the LAP Vadstena

- **Outdoor life and green areas plan - We were invited to and have sent an official replay on this plan from SHARE.**
- **Remaking the Courthouse square in Vadstena. An architectural competition has been done, the ideas from Share has been included. Next year the physical work will start.**

Monitoring the LAP County Administrative Board

- **We've been invited and have taken part in three focus-days with workshops for the RUS**
- **We were invited to and have sent an official replay to Region Östergötland Culture plan, a part of the RUS. In this one se manager to influence several things.**
- **We've been part of regional 2030 conference, with national participants.**

2020

- **Continued work with RUS-process**
- **Evaluation of the Share project with Vadstena county.**
- **Write an article for the County Administrative board's annual book on Cultural heritage work, planned for 2020 (to be published 2020 or 2021) – to spread the word nationally**
