THE SCIENCE OF BREWERY – UNIVERSITY BEER

ROOFTOP BEEKEEPING – FACULTY OF LAW AND ADMINISTRATION

SPACE DONKEY – UNIVERSITY’S MASCOT SENT TO STRATOSPHERE

With help of Unibot (**U**niversity + **R**obotics Community) and Teenagers’ University of Silesia scientists, a group of middle-school students has released a stratospheric balloon equipped with a research probe and university mascot attached. The launch allowed the students to learn the basics of electronics and programming. The donkey rose to the height of 30 km and reached the speed of 72 meters per second during the fall.
