

Adoption of a thematic program

During the first seminar in Rome in July, a **program of thematic seminars** has been adopted by the partners of **STAR Cities** for the project. **Four topics** have been identified and will provide guidance to the upcoming Interregional learning sessions.

The different themes will be approached during each session divided into study visits and a thematic workshop.

THE RIVERSIDE CITIES NETWORK

STAR Cities is implemented by the Riverside Cities network which brings together local regions wishing to develop or redevelop recreational activities along rivers or waterways in an urban environment. Its members are all keen to increase awareness of this alternative to traditional tourism in European cities.
