Target: aspiring entrepreneurs and already established companies

Operative mode: front office, receives by appointment

Cost: free

Where we are

Headquarter - Bologna

Territorial offices:

- Unione Appennino Bolognese - Vergato
- Unione Reno Galliera - S. Giorgio di Piano
- Unione Savena - Idice - Pianoro
- Unione Terre di Pianura - Granarolo dell'Emilia
- Comune di Casalecchio di Reno
- Comune di Valsamoggia
- Area Persicetana c/o Futura - S. Giovanni in Persiceto

What do we do

- Accompaniment to the development of the business idea through personalized consultancy, also giving the opportunity to draft a business plan
- Information on data, necessary bureaucratic obligations, existing opportunities
- Support in the research and identification of funding and contributions consistent with the business project
- Assistance in identifying competent bodies and services in startups and businesses
- Information on existing business culture training activities
- Events/activities

Events

Some results

From 1989 to today, “Progetti d’Impresa” has met more than 10,000 aspiring entrepreneurs, with an average of 350 per year.

Some outputs

2018 – report on business opportunities in the Savena and Idice Valleys

2016 – report on business opportunities in the Reno and Idice Valleys
