

Exchange of experience process & action plan development

22 January 2020 | Seminar on activities and results, Budapest

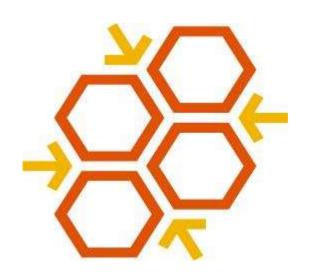

## Exchange of experience process

No 'one-size-fits-all'

Different parameters influencing the process:

- History of the partnership
- Number of partners
- Duration of phase 1
- Topic addressed

**....** 

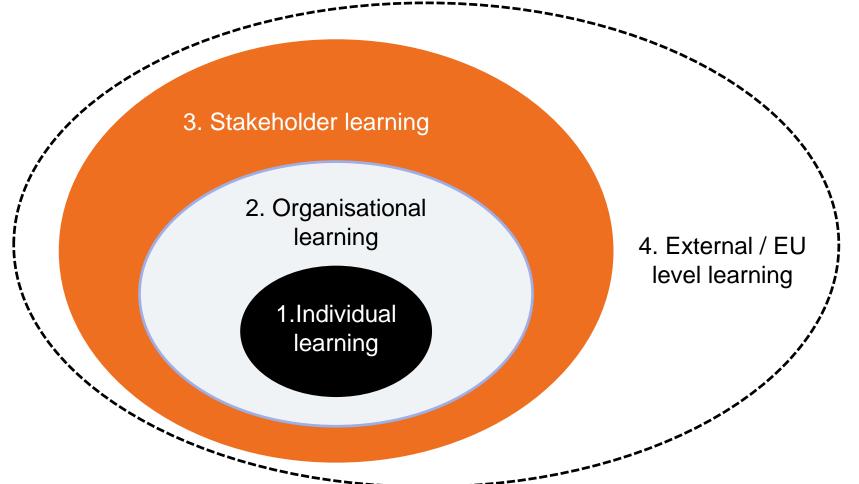

- A. Ensure learning at different levels
- B. Ensure the **quality** of each learning activity
- C. Ensure an integrated approach

## A. Levels of learning

Go beyond individual / organisational learning!

## **B.** Quality of activities

#### For all learning activities, importance of:

- Preparation Before

   e.g. agenda and supporting documents clear & sent sufficiently in advance
- Implementation During
   e.g. quality of speakers / presentations; quality of venues / logistics (translations?)
- Follow-up (documentation and monitoring) After
   e.g. evaluation / satisfaction questionnaire, activities proceedings

## C. Integrated approach

- What are the main steps to reach the objectives and ensure the quality of action plans?
- What are the activities needed? In which order?
- How to ensure overall coherence in the learning process?
  PHASE 1

## 3 steps commonly adopted:

#### Step 1

 Analysis of partners' situations and identification of valuable experiences

#### Step 2

 Experience further analysed through activities such as study visits and thematic workshops

#### Step 3
