

4 Regional Stakeholder Group Meetings semester 6

On 4 different topics: content, context, stakeholders, policy-instrument

Partner/Region:	Date:	Round:	Participants:	Main outputs:
Province of Noord-Brabant	's-Hertogenbosch, 18 October 2019	6	Event to explore the scaling opportunities of the BOF. In total 92 stakeholders participated: 23 participants of the Province of Noord-Brabant; 3 of the national government; 7 of the municipalities; 30 citizen-initiatives and enterprises; 6 investors; 9 research and education-institutes; 6 impact-experts; 2 politicians; 6 interest groups.	<u>Focus on content</u> We organised a first regional stakeholder event to explore the scaling opportunities of the pilot BOF to broaden the scope of the financial instrument content-wise to three other innovation area's: circular economy, sustainable energy and sustainable housing.
	Eindhoven, 23 October 2019		Workshop during the Creativity World Forum about the the transfer opportunities of the BOF. In total 8 key stakeholders of our region involved were involved in the workshop: 2 experts of TU/e Industrial design, 1 representative of Philips, 4 policy officers of the regional government of Noord-Brabant from the following departments: Trends, Health&Sports, Innovative approaches, Social Resilience. And 1 education representative of Avans Hogeschool.	<u>Focus on context</u> We organised a second regional stakeholder group workshop. We explored with our stakeholders the transfer opportunities of the BOF as a transformative learning practice to another regional context. We organised this workshop together with another regional stakeholder network of North-Sweden that also has experience with a transformative learning practice.
	Den Haag, 6 November 2019		Meeting during the Impact Fest of the EVPA. Our workshop was visited by 11 regional and international investors	<u>Focus on stakeholders</u> A third regional stakeholder group meeting was organised to broaden our ecosystem with financiers

	<p>'s-Hertogenbosch, 26 November 2019</p>		<p>and related stakeholders who will play a role in the further improvement of the BOF: 1 of the European Investment Bank, 1 of the University Maastricht, 1 of Findacure; 1 of Curia; 1 of SIB Poland; 1 of Casa do Impacto; 1 of EVPA; 1 of OECD; 1 of ING-Bank; 1 of ABN-AMRO bank; 1 of FNO, 1 of Impact Fund Rotterdam.</p> <p>Meeting with executors of the RIS3 The meeting was visited by 8 participants: 5 internal colleagues from the Department of International Affairs and 3 partners from Stimulus.</p>	<p>and investors for active involvement in the development of our regional action plan and to create commitment for the implementation phase of our regional actionplan.</p> <p><u>Focus on policy-instrument</u> A fourth regional stakeholder group meeting was organised to share more about the topic of impact-measurements and – monitoring, integrated reporting about valuecreating and the role of true pricing in stimulating innovation. This was a first meeting to discuss elements of RIS3- improvement on these topics</p>
