NEWSLETTER | SEPTEMBER 2019

(Photo: Rob Kleering / Provincie Gelderland)

Innocastle aims to improve policy instruments which affect historic castles, manors and estates in four European regions. Read the most recent news about the project.

INNOCASTLE NEWS

Now published! Learning report & illustrations - Study Visit Wales

The National Trust, in their role as the knowledge partner, organised a study visit in May 2019 focused on business diversification and partnerships. A comprehensive learning report is available now, including a series of illustrations showcasing the main outcomes of the visit.

Read the report

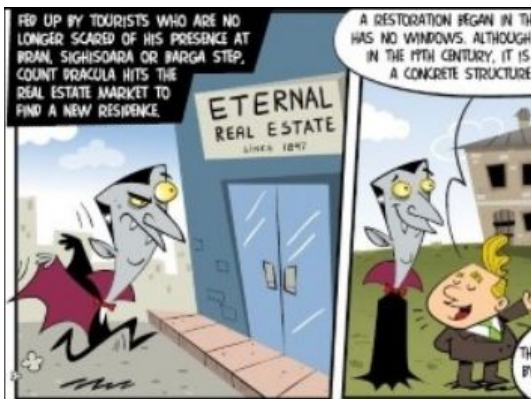

Study Visit Spain | 4-7 Nov 2019

Diputacion de Badajoz will organize the first Study Visit in Spain between 4-7 November 2019. The participants will go on site visits and will take part in a thematic seminar on governmental financial & fiscal support schemes for historic castles, manors and estates. [Read more...](#)

Heritage Houses for Europe | 24 Sept 2019

Innocastle was present at the event. A new pan-European report about the impact of privately owned heritage houses was published, underlining key findings and policy recommendations for family-owned heritage houses. [Read more...](#)

Innocastle comics by Alex Tamba follow Count Dracula's heritage adventures

Following the Innocastle study visit in Romania, the main learning points were turned into creative comics by artist Alex Tamba. Four comic strips capturing Count Dracula's experiences with Romanian heritage were released. [Check them out here...](#)

First Innocastle stakeholder meetings

This semester, all Innocastle partners met up with their regional stakeholders and introduced the project. Partners, together with their stakeholders, will be working on developing action plans to improve their policy instruments in the next semesters. Read here the reports of these sessions:
