14 May 2020

# Forthcoming activities

We're working on a number of interchangeable good practices, in addition to today's Austrian ones. I promise they are promising!

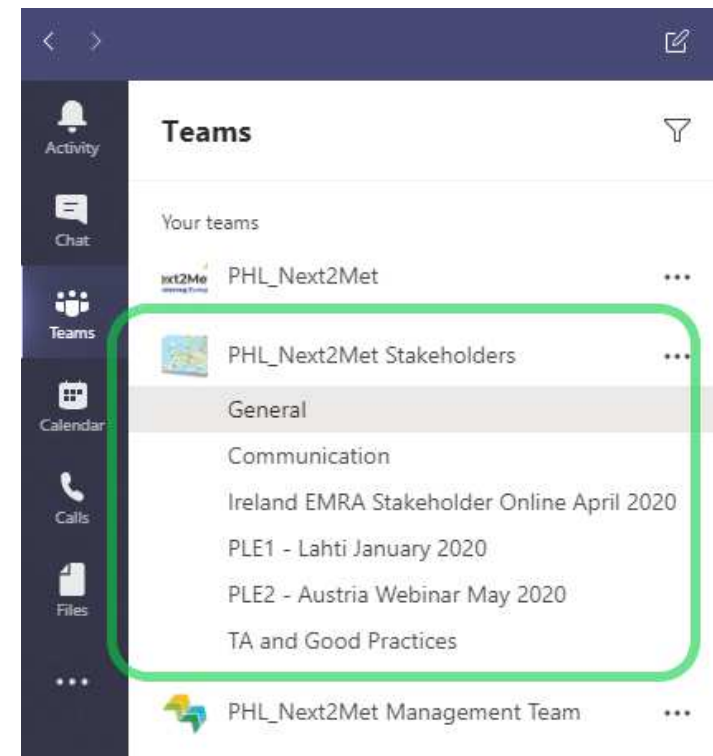

This online Policy Learning Event does not substitute the physical event in Lower Austria. We're still planning to do field visits one day...

Next Policy Learning Event will be organised by Diputació Barcelona – hopefully on-site – scheduled for later this year.

So, stay tuned...

# Extranet for Stakeholders and Interest Groups – that’s You!

- Seminar and webinar materials
- Other relevant materials and links
- Updates on events: EU, national, local
- Discussions
  - General
  - Special interest groups
- Networking
- Online sessions
- Will be opened soon

# How to join the Extranet?

You don't have to do anything – we'll invite you with the email you provided in the registration.

If you want to use another email address (e.g. A Microsoft account), let us know.

If you don't want to join, just tell us.

## Next2Met Policy Learning Event #2

Digitalising the outskirts of metropolitan areas  
*Good practices in Lower Austria*

14 May 2020, 13.45 – 16.00
