#### **AGENDA**

10:00	<b>Foreword</b> - Louis Vervloet – ESF Managing authority Flanders - Overview of the program, structure of the meeting and identification of participants
10.05-10.15	<b>Introduction</b> – Mattia Gottardi – Alderman of the Autonomous Province of Trento - Greetings and introduction to the meeting
10:15-10:30	<b>Introduction ESF Flanders</b> - Louis Vervloet – ESF Managing authority Flanders - The role of partnership in European Social Fund Flanders. The principle of partnership is very important in Flanders and all important stakeholders in the Flemish labour market are involved in writing the OP. Using a range of participative methods, stakeholders are brought together to talk about the challenges of the Flemish labour market and how they can be included in the OP. Stakeholders are also involved during implementation of the calls, for instance, advance talks are held with technical staff before a call is launched in order to ensure clarity among project promoters and selected stakeholders, including umbrella organisations. So we will explain shortly how we work in partnership at ESF Flanders
10.30-10.45	<b>Short discussion concerning the context of ESF Flanders</b>
10:45-11:05	<b>Samenwerkingsverband Gent</b> - Myriam Carlier Network manager “Gent stad in werking”- Introduction by the alderman of Gent. Ghent, city in operation "(Gsiw) is an open partnership with a great added value in the local employment policy of the city of Ghent. The partnership consists of public and private actors from the broad field of work, mediation, training, education and welfare. It is committed to developing a common strategy and setting up various initiatives. This is always done with a view to quality work for everyone.
11.05-11.20	<b>Right2score</b> - Lode Leirens – Project leader - Right2Score creates alternative learning opportunities, activation and employment activities. These opportunities are a necessary adjustment to the classic recipes of school education and job placement. It is also one of the many good examples in Ghent and they work closely together with other social initiatives of that neighborhood in Ghent.

11.20-11.30	<b>Short discussion concerning Samenwerkingsverband and Right2score</b>
11.30-11.50	<b>Social partners on the digital fasttrack</b> -Tim Buyse international expert at SERV – The project's purpose is to exchange knowledge, good practices and knowhow on digitalisation and the role of the social partners within this transition. The project enables the social partners to look beyond the Flemish borders, and to learn how other countries and foreign social partners tackle the challenges posed by the digital revolution.
11.50– 12.05	<b>Short discussion concerning the project Social partners on the digital fasttrack</b>
12.05-12.25	<b>Sustainable development goals and social dialogue</b> - Maresa Le Roux Coordinator international cooperation ACLVB- Sensibilisation of the trade union members and elected representatives, making them aware of their companies using the SDG's in their communication and sustainability/year reports. Assist them (via the 'Sustatool') <b>to go into dialogue</b> through their company councils or the committees for health and safety in the work place, asking for worker friendly initiatives when it comes to sustainable actions.
12.25-12.45	<b>Short discussion concerning the project Sustainable development goals and social dialogue</b>
12.45-13.00	<b>Short introduction and presentation of the next peer review (Germany)</b>
