⚠️ NOODOPROEP:

Onze natuurgebieden worden overspoeld met duizenden bezoekers. Dit is niet meer verantwoord! Dringend verzoek om naar huis te gaan of thuis te blijven. We snappen dat dit geen leuke boodschap is, maar wel nodig:

GA NIET DE NATUUR IN VANDAAG! #SocialDistance #Corona

## What?

- Enjoy the outdoors (green heritage/ nature) as healthy and safe places AND preserve the natural and heritage qualities.

## How?

- Spread visitors (avoid busy sites): visitor monitor, communicate about a larger number of sites, a wider network of routes, one-way routes.
- Use of 'covid-circles' in parks for recreation and events
- Prevent damage, noise pollution and waste disposal: educating the visitors, law-enforcement, organise controlled events with e-tickets.
- Think of temporary funding possibilities to manage these sites.

Thank you!
