No revolution...but evolution ;)

Key features remain:

1. Pan-European
2. Similar overall objective
 - Regional policy makers as core target groups
3. Similar means to achieve the objective
 - Main focus on capacity building

Evolution:

1. Focus on Structural Funds lightened
2. Learning by doing: pilot actions
3. Only one single priority in the programme
 - Better reflect the core nature of the programme (capacity building)

Thank you!
