

# **WELCOME**

## **Final Event**

**25th February 2021**

**9.00 – 12.20 (CET)**

*Online*

**REMIX**  
Interreg Europe

European Union  
European Regional  
Development Fund

© Vesa Nykänen

REMIX gathers smart and green mining regions of EU and promotes resource efficient, environmentally and socially acceptable production of raw materials, including critical raw materials.

[www.interregeurope.eu/remix](http://www.interregeurope.eu/remix)

## REMIX brings together:

9 Partners

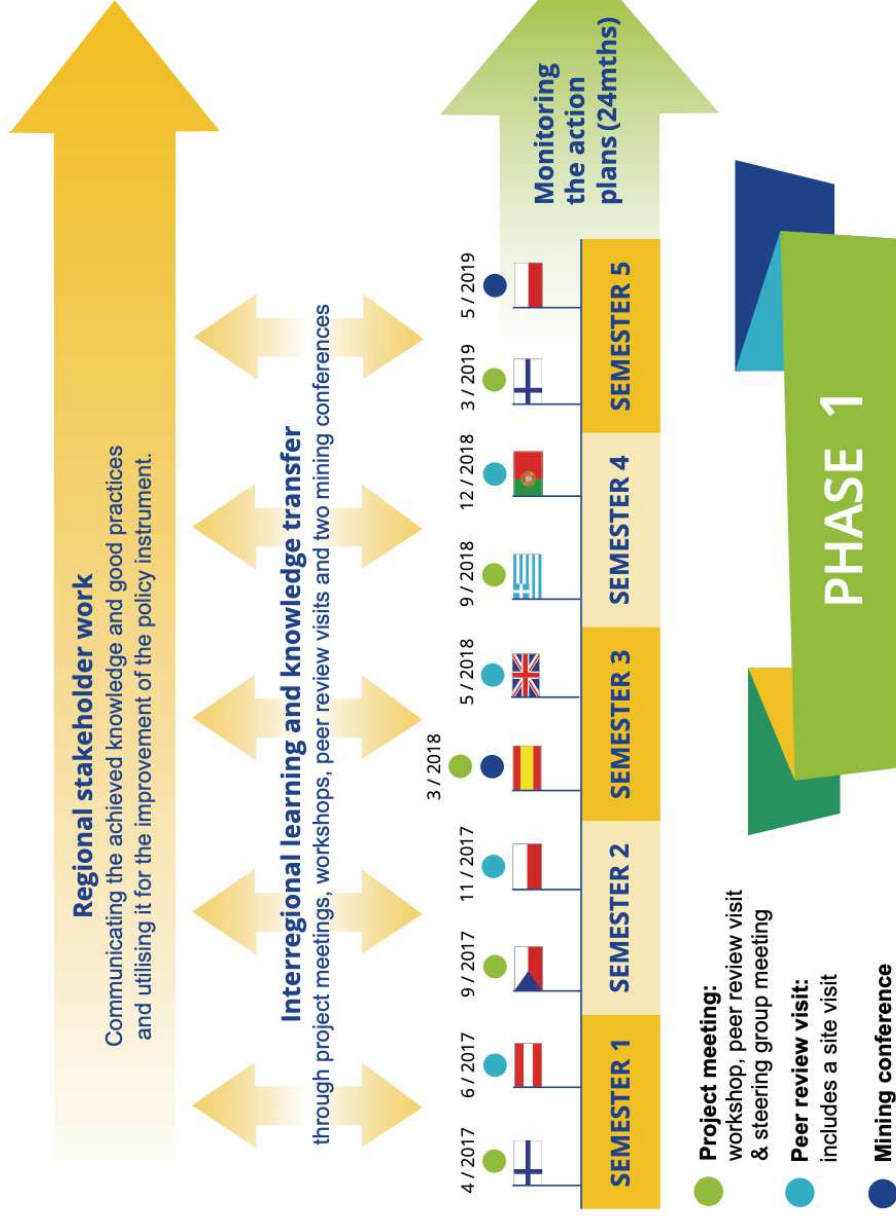

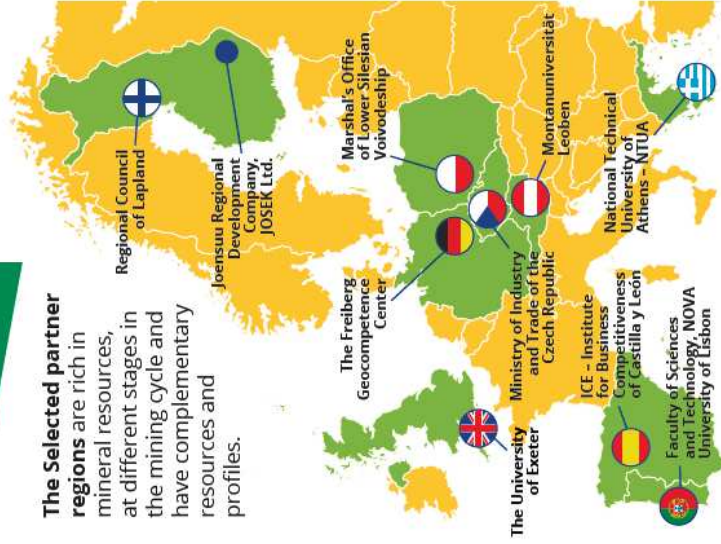

1 Advisory Partner

9 Countries

8 Policy Instruments

### The Selected partner

regions are rich in mineral resources, at different stages in the mining cycle and have complementary resources and profiles.

# FINAL EVENT

In the final event REMIX partners will showcase why regions matter and:

- How to use experience into **European Green Deal?**
- How to support **Green Technologies and Mining?**
- How to develop **Education in Critical and Construction Mineral Commodities?**
- How to prove the **place of mining and raw materials management in the context of European policy?**
- How mining **fits into the circular economy?**
- How mining can **become smarter and more sustainable?**

# AGENDA

9.00 – 12.20	<b>REMIX FINAL EVENT – SMART AND GREEN MINING REGIONS OF EU</b>	
9.00 – 9.10	<i>Opening and welcome</i>	<b>Markus Hirvonen</b> , Region Mayor, North Karelia, Finland
9.10 – 9.20	<i>Welcome</i>	<b>Ana Mihaljevic</b> , Policy Officer at Interreg Europe, Interreg Europe Secretariat
9.20 – 9.40	<i>Key Note Speech</i>	<b>Tina Benda</b> , The RIS Manager of EIT Raw Materials CLCE
9.40 – 12.20	<b>ROUND TABLE – POLICY PROGRAMMES ENABLING THE DEVELOPMENT OF SUSTAINABLE MINING</b>	
9.40 – 10.15	Short 7 minutes presentations highlighting the main findings and learnings:	
	<i>Own raw material resources – Source of own independence</i>	<b>Vladimír Bomberovič</b> , Senior expert, Ministry of Trade and Industry, State Raw Material Policy Department, Czech Republic
	<i>Mining 2030 -futureproofing the Austrian Raw Materials Strategy</i>	<b>Michael Tost</b> , Senior Re- searcher, Chair of Mining Engineering and Mineral Economics, Montanuniversität Leoben, Austria
	<i>The integrated mining ecosystem and improved governance of RIS3 – emergence new collaboration and cross fertilisation</i>	<b>Alexandra B. Ribeiro</b> , Associate Professor, Center for Environmental and Sustainability Research, School of Science and Technology, NOVA University Lisbon   Centro, Portugal
	<i>Building of the Regional Mining Ecosystem – The importance of working together at regional and interregional level</i>	<b>Beatriz Casado Sáez</b> , Director of the Innovation and Entrepreneurship Department, ICE-Institute for Business Competitiveness of Castilla y León Spain
	<i>Integrated mining ecosystem for better governance of the Lower Silesian Innovation Strategy 2030</i>	<b>Michał Frycz</b> , Manager of Innovation Unit, Department of Economy, Marshal Office of Lower Silesia, Poland
10.15 – 10.45	<i>Facilitated roundtable discussion</i>	by <b>Julius Oförsagd</b> , CEO and Creative Director at Arctic Factory
10.45 – 11.00	Break	

# AGENDA

11.00 – 12.00	<b>ROUND TABLE – INDIVIDUAL PROJECTS PUTTING REGIONAL SUSTAINABLE MINING ACTIONS IN TO PRACTICE</b>	
11.00 – 11.30	Short 7 minutes presentations highlighting the main findings and learnings:	
	<i>Regional SMEs as drivers in the development of the Industrial Circular Economy</i>	<b>Tuomas Pussila</b> , Programme Manager, Industrial Circular Economy, Digipolis, Lapland, Finland
	<i>Act local to be active in the global mining value chain</i>	<b>Ilkka Nykänen</b> , Business Joensuu, North Karelia, Finland
	<i>Deep Digital Cornwall - mining in the Local Industrial Strategy, research with 40 SMEs</i>	<b>Frances Wall</b> , Professor of Applied Mineralogy, Camborne School of Mines, University of Exeter, Cornwall, United-Kingdom
	<i>The trailhead in integrating the industry 4.0 throughout the Raw Materials sector's value chain</i>	<b>Roula G. Kechri</b> , Governor's Advisor, European Programs & International Relations, REGION OF CENTRAL GREECE, <b>Dr Asimina Katsiapi</b> , Senior Researcher NTUA, Project Manager EIT RawMaterials HUB Regional Center Greece, Sterea Ellada, Greece
11.30 – 12.00	<i>Facilitated roundtable discussion</i>	by <b>Julius Oförsagd</b> , CEO and Creative Director at Arctic Factory
12.00 – 12.20	<b>REMIX – CONCLUSIONS AND MAIN FINDINGS</b>	
	<i>Conclusions and summing up the REMIX achievement</i>	<b>Wolfgang Reimer</b> , Managing Director, GKZ Freiberg eV, Germany <b>Ilari Havukainen</b> , Senior Advisor at East & North Finland EU Office
	<i>Closing the REMIX final event</i>	<b>Päivi Ekdahl</b> , Development Director, Regional Council of Lapland
