EU GREEN WEEK 2021 PARTNER EVENT

# Green Screen's mission

Green Screen's mission is to inspire and educate the nomadic world of filming by creating sustainable working practices. By reducing the environmental impact of filming essentials such as transport, construction, lighting and catering we aspire to lead European film & TV production into a greener way of life.

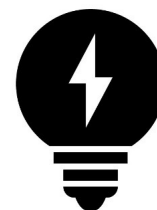

**SAVING THE WORLD  
IS NO LONGER A SCI-FI.**

The Grid Project –  
renewable energy cabinets  
for unit bases in London

An aerial photograph of a lush green forest with a winding river. A small boat is visible on the river. The image is slightly blurred and has a soft, ethereal quality.
