

Samskapande Mittnordisk Innovationsarena för Cirkulär Ekonomi

smice.nu

Maja Blomqvist /SMICE Region Jämtland Härjedalen

MITTNO RDEN

WHY CIRCULAR ECONOMY?

Global consumption of natural resources has tripled in 40 years.

From 27 billion tonnes to 85 billion tonnes

Less than 9% is recycled

Building capacity for transition to circular economy
in Jämtland, Härjedalen & Trøndelag

Strategic choices

Bottom up

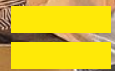

Identify themes

Coach actors

Coordinate

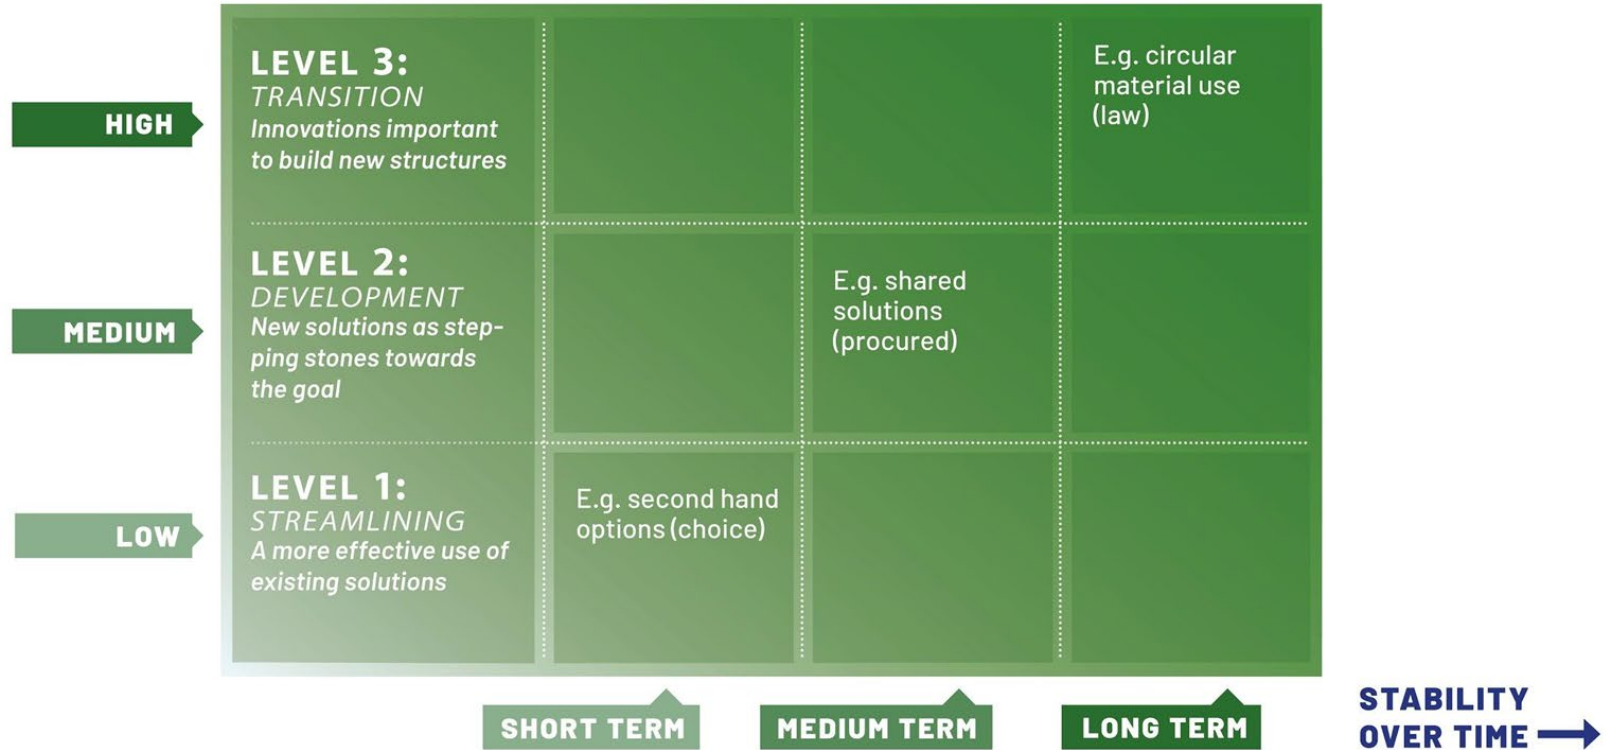

Circular Economy

EXAMPLES

- Sustainable consumption
- Industrial symbiosis
