

### #eBussed

eBussed supports regions in the transition towards low-carbon mobility and more efficient public transport in Europe by promoting the use of e-buses.

## Articles, news and a new event

*In this newsletter, you can register for the next learning event, read about the benefits of pre-conditioning, how e-buses have been marketed to passengers and readiness Indicators to electric bus deployment and have a peek at an e-bus test ride.*

### Learning event: Procurement and Tendering

The international online learning event "Procurement and Tendering of Electric Buses" takes place on **16 September**. Read more about the event programme and register!

## News from the eBussed regions

### Special events in Utrecht

In Utrecht, two special milestones were realised simultaneously. The transport company U-OV got a new location to charge and park the buses and 18-meter-long e-buses started their service.
