LSG Meeting Conclusions

A. Summary of the meeting

A short summarization of the project purpose, aim and deliverables were made and how we are supposed to proceed now that we are transitioning to phase 2.

Action plans and matchings were discussed and the final action plan was presented in detail. Suggestions for locations to focus on implementation of action plan and substances of concern were discussed.

The project schedule was also presented as of current state where the stakeholder group was encouraged to participate in the coming events at the Interregional workshop. Two stakeholders plan to join the workshop.

Next meeting was set for the 9th of November, 2022 from 13:00-14:30.

B. Recommendations of the LSG

The stakeholder group will give feedback on implementation of the Action Plan including suggestions for sampling locations and substances of concern.

They will try to join Interregional workshop in June.
