09.15-10.15	Presentation of good practices from project partners
10.15-11.00	Discussion
11.00-11.30	Coffee break
11.30-13.00	Financial perspectives for SMEs in a new EU structural period 2021-2027

HoCare project 2nd stakeholders group meeting was held on 26th of September 2022. The aim of the meeting was to present the results of HoCare project and to discuss Good Practices identified by partners and presented during the partners meeting in Bucharest. 11 representatives from SMEs working in health sector was present and 2 experts of LIC were moderating the discussion.

LIC expert I. Krogertė presented the GPs from other project regions where mostly projects with ICT solutions implemented for health monitoring or data collecting and transferring for e-health and e-social services were presented. The discussion about similar solutions and potential to

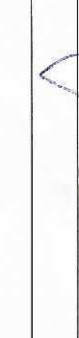

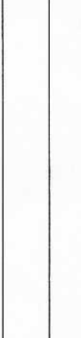

transfer such projects to Lithuania was raised and similar national initiatives were discussed. Besides, digital services of Santara Clinics were presented and discussed as the representative of Santara Clinics has participated as a national stakeholder in project partners meeting. During the discussion stakeholders have raised various issues related to their activities, challenges and lessons learned during the Covid-19 pandemic and how future financial support mechanisms could mitigate the negative effects of pandemic and support SMEs competitiveness in international market.
