Sharing solutions for better regional policies

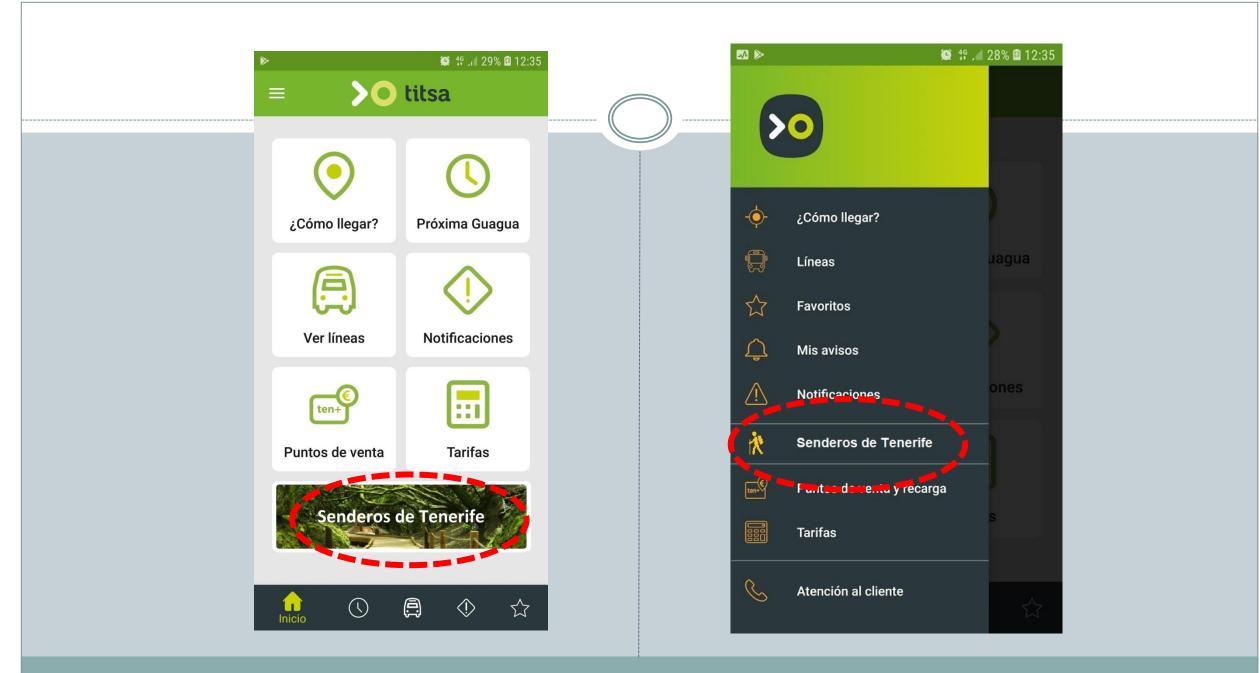

## **Meetings and other relatable events**

## held in the period

ST meeting/ other event during the quarter	Date	Place	N° of participants	Content
Follow-up meeting (trails)	13/05/2022	TITSA's office	5	Meeting with the winner of the minor contract for the design of the trails and all the information to be included in the titsa web application to view the progress of the development project and estimate a completion date for the work
Follow-up meeting (trails)	08/06/2022	TITSA's office	5	Meeting to assess the estimated delay of the company contracted to prepare trail maps and find possible solutions with the idea of having everything ready to start using it on the web on August 1.
Follow-up meeting (trails)	30/06/2022	TITSA's office	5	Given the delay accumulated by the contracted company, this meeting is held to set a new possible implementation date for the information and maps of the trails on the web and the app.
Follow-up meeting (trails)	28/07/2022	TITSA's office	5	New meeting with the documentation received and prepared by the external company to check the quality of the work and agree on the hiring of other companies for the graphic design of the maps to be inserted on the web and app. Meanwhile, it is agreed to prepare an informative tab on the TITSA website that will serve as information for what will be introduced soon.

### **Development in 3 main areas**

	😫 👫 . 🛯 28% 🛢 12:3
4	Senderos de Tenerife

Pequeño texto en el que se explique en que consiste esta iniciativa, especificando aquellas areas en las que se llevará a cabo y algunas imágenes que ayuden a presentarlos de una manera más atractiva a nuestros usuarios.

- Senderos de Anaga
- Senderos del Parque Nacional del Teide

### (Breve descripción de la zona)

A continuacion se establece una clasificación de los senderos en funcion de su dificultad o adaptabilidad

- Dificultad baja
- -Dificultad media
- -Dificultad alta

# Selecting the área, you can find more info about the trails

# Senderos de Teno

### - Dificultad baja

XXXXXXXXX XXXXXXXXX XXXXXXXXX Al pulsar alguno de los senderos, se despliega un apartado con información sobre el mismo

Breve descripcion del sendero, caracteristicas, motivos por los que se recomienda

#### (PLANO DEL SENDERO/RECORRIDO)

### (+ Fotografías)

Cómo llegar:

 $\bigcirc$ 

俞

-Desde Santa Cruz -Desde La Laguna

Al pulsar alguna de las dos opciones, esta nos redireccionaría al apartado de lineas y horarios, mostrandonos la correspondiente a este sendero

## The Bus modified to carry sufboards

TITSA has acquired new modified buses to take surfboards to coastal areas where there are also nearby trails, trying to encourage the use of public transport.
